

WISCONSIN PUBLIC/PRIVATE PARTNERSHIP DISASTER SUMMIT

Sept. 13, 2018, 8am to 4pm
Best Western Premier
1N. Main St.
Oshkosh, WI

Please join members of emergency management, the private sector, public sector, volunteer organizations and faith-based community to discuss disaster preparedness in the State of Wisconsin.

- See how public/private partnerships strengthen a community's ability to respond to disasters
- Hear about current threats and what resources are available for situational awareness
- Get informed on local and state efforts to address re-entry and fueling needs following large-scale disasters
- Learn why having a crisis communications plan is critical

The summit is FREE to attend and a complementary lunch will be served. For more information and to register, please go to www.Eventbrite.com.

A FREE course on ***Business Continuity Planning*** will be offered on September 12th at the Best Western. A separate registration is required at www.trainingwisconsin.org
